

Covid-19 Lockdown - The Impact on You & Your Family

Zoom sessions every Thursday 3:30 – 5pm

Being shut in doesn't mean you have to be shut out from support.

Covid-19 has changed life as we know it. We are aware that many families are facing challenges during the lockdown and that some people have been left feeling isolated. We have heard how Covid-19 is disproportionately affecting Black, Asian & Minority Ethnic (BAME) communities. The Diversity & Inclusion Advocacy (DIA) Service from Yellow Door has partnered with Northam Local Conversation to provide our community a safe space to:

- Share your experiences
- Connect with other people
- Find out what support is available in the city

For further details & information, please contact:

Caroline - 07557 982856 Email: DIA@yellowdoor.org.uk

Danielle - 07501 888331

Logging in details to be sent at 3pm on Thursdays. If you are unable to access the internet or worried about phone credit accessing Zoom, please let us know.

Preventing and Responding to Domestic and Sexual Abuse
