

We're calling
for a kinder, fairer
approach to
supporting refugees

#WhoWeAre

SHOW YOUR HEART

**The Borders Bill which is going through Parliament
now is a major attack on people seeking safety.**

TOGETHER WITH REFUGEES is calling for a **better approach** that means:

- People can seek safety in the UK, no matter how they came here.
- People can live in dignity while they wait to hear if they will be granted protection.
- A kinder, fairer and more efficient system to decide whether people will be granted protection.
- Refugees and their local communities can build better futures together, with proper support for local councils to do this.
- The UK working with other countries to do our bit to help people who are forced to flee their homes.
